

48V Telecommunication Battery Lifepo4 Deep Cycle Rv Battery

Our Product Introduction

Basic Information

- Brand Name: Qiyuan
- Model Number: QTB-48
- Minimum Order Quantity: 10
- Packaging Details: wooden case
- Delivery Time: 1-2 months
- Payment Terms: L/C, T/T
- Supply Ability: 100 set per month

Product Specification

- Battery: LiFePo
- Highlight: 48V telecommunication battery, lifepo4 deep cycle rv battery, telecom deep cycle rv battery

Product Description

Product Features

apply to domestic base station and base station two products abroad
high reliable lithium iron phosphate batteries, have CE, UL certification, safe and reliable
voltage, current, temperature detection and protection and short circuit protection function, with the functions of meter
have battery capacity calculation function and cyclic number calculation function
battery capacity calculation function
working temperature range: discharge - 20 ~ 50 °C, the charging of 0 ~ 50 °C
have sleep and wake up function, remote communications sensei.
LCD and LED display two functions. (Conventional LED, LCD optional)
have dry contact, auxiliary contact detection function
have gyroscope security and software security function
meet domestic tower communications protocol, satisfy the Modbus communication abroad
products can follow customized shape
