

6KW 240VAC UPS Essential Equipment for Uninterrupted Power in Industrie

Our Product Introduction

Basic Information

- Brand Name: Qiyuan
- Model Number: QM-6
- Minimum Order Quantity: 1
- Packaging Details: wooden case
- Delivery Time: 1-2 months
- Payment Terms: L/C, T/T
- Supply Ability: 100 set per month

Product Specification

- Highlight: 240VAC UPS, Industrie UPS, 6KW UPS

Product Description

zero switching time, and ensure load using continuous electricity;
output power factor as high as 0.9, load ability;
efficiency is as high as 95% above, reducing energy consumption cost savings;
using DSP digital control technology, provide sine wave power supply is stable and reliable;
high reliable lithium iron phosphate batteries, have CE, UL certification, safe and reliable;
the lithium battery management solutions for special purpose, with triple loop over voltage protection, preset temperature, pressure switch interface. ;
working temperature range: - 20 ~ 50 °C, three proofing process.
applicability is wide and 90 ~ 300 v ultra wide input voltage and 40 ~ 70 hz frequency, can match the generator to use
chargers have adjustable, in 3 ~ 12 a range can be adjusted
wisdom display, LCD display;
intelligent adjustable, so answer the transformer output voltage compensation;
with RS485, RS232, SNMP can communication (optional)
