

12V LiFePO4 Lithium Battery -20-50C 25.5kg - Durable And Reliable Performance

Our Product Introduction

for more products please visit us on batteriesback-up.com

Basic Information

- Place of Origin: China
- Brand Name: QIYUAN
- Certification: UN38.3, IEC, MSDS
- Model Number: TE12
- Minimum Order Quantity: 100
- Packaging Details: Carton
- Delivery Time: 1-2 months
- Payment Terms: T/T, L/C
- Supply Ability: 2000-5000 per month

Product Specification

- Capacity: 300Ah
- Application: UPS, Solar System
- Warranty: 2 Years
- Operating Temperature: 0-45°C
- Charge Voltage: 14.6V
- Storage Temperature: -20-50°C
- Max Charge Current: 150A
- Cycle Life: 4000 Times
- Highlight: **12V LiFePO4 Lithium Battery,
Durable LiFePO4 Lithium Battery,
Reliable Performance Lifepo4 UPS Battery**

Product Description

Product Description:

Lifepo4 UPS Battery is the ideal choice for e-scooter, electric vehicle, and jump start applications. It is a 12V lithium battery pack with a capacity of 100Ah and a dimension of 330mm * 172mm * 214mm, making it compact and lightweight with a total weight of 25.5kg. This battery pack is both safe and reliable, providing up to 4000 cycles and a long life span for extended use.

Lifepo4 UPS Battery is the perfect solution for those looking for a dependable EV lithium battery pack or jump start lipo battery. It is designed for a variety of applications, and its long life cycle and lightweight design makes it the optimal choice for those in need of reliable power.

Features:

Product Name: Lifepo4 UPS Battery

Warranty: 2 Years

Max Charge Current: 150A

Storage Temperature: -20-50°C

Max Discharge Current: 150A

Cycle Life: 4000 Times

EV Battery Pack: 12V LiFePO4 Lithium Battery

EV Lithium Battery Pack: Yes

Technical Parameters:

Parameter	Lifepo4 UPS Battery
Product Name	Lifepo4 UPS Battery
Application	UPS, Solar System
Capacity	300Ah
Discharge Voltage	10.5V
Cycle Life	4000 Times
Weight	55.5kg
Size	L*W*H = 330*172*214mm
Operating Temperature	0-45°C
Storage Temperature	-20-50°C
Warranty	2 Years

Applications:

QIYUAN TE12 Deep Cycle LiFePO4 Battery is an ideal choice for many different applications, such as electric scooters, solar energy storage, uninterruptible power supply (UPS), high temperature LiFePO4 battery, and many more. It is certified by UN38.3, IEC and MSDS, and is available with a minimum order quantity of 100 pieces. The battery comes in a carton packaging and can be delivered within 1-2 months. Payments can be made via T/T, L/C. The battery has a weight of 25.5kg, a size of 330*172*214mm, and a capacity of 100Ah. It can be stored at a temperature range of -20-50°C, and comes with a 2-year warranty. It is also capable of 2000-5000 pieces per month production capacity.

Customization:

Lifepo4 UPS Battery

QIYUAN TE12

This Lifepo4 UPS Battery is made of the highest quality materials and is certified according to UN38.3, IEC, and MSDS standards. It comes with a minimum order quantity of 100 and is packaged in a standard carton. Delivery time is between 1-2 months and payment terms are T/T or L/C. We are capable of supplying 2000-5000 units per month.

This battery has a storage temperature range of -20-50°C and comes with a 2 year warranty. It has a max charge current of 50A and a max discharge current of 100A. The cycle life of this battery is 4000 times.

This Lifepo4 UPS Battery is perfect for E Scooter Battery Packs, Jump Start Lipo Battery, and other similar applications.

Support and Services:

Lifepo4 UPS Battery Technical Support and Service

We provide technical support and service for our Lifepo4 UPS Battery. Our team of certified technicians are available to answer any questions you may have about the product, installation, and troubleshooting. We also offer a comprehensive warranty for all our products, so you can be sure you're covered if any problems arise.

Our technical support team is available for any questions you may have, 24 hours a day, 7 days a week. You can reach us through our online chat, email, or telephone. We also provide an extensive library of helpful resources such as user manuals, technical notes, and FAQs.

If you experience any issues with the product, we have a team of certified technicians who are ready to help. We provide repair services for all our products, so you can be sure you're covered if anything goes wrong. We also offer a comprehensive warranty for all our products, so you can be sure you're covered if any problems arise.

Packing and Shipping:

Packaging and Shipping of Lifepo4 UPS Battery:

We will securely package Lifepo4 UPS Battery using strong carton boxes.

We will use a reliable courier to ship the product.

The product will be shipped within 1-2 business days of order placement.

We will provide tracking details of the shipment once the product is shipped.

FAQ:

Q1: What is the brand name for this Lifepo4 UPS Battery?

A1: The brand name for this Lifepo4 UPS Battery is QIYUAN.

Q2: What is the model number for this Lifepo4 UPS Battery?

A2: The model number for this Lifepo4 UPS Battery is TE12.

Q3: Where is the Lifepo4 UPS Battery made?

A3: This Lifepo4 UPS Battery is made in China.

Q4: What certifications does the Lifepo4 UPS Battery has?

A4: This Lifepo4 UPS Battery has UN38.3, IEC, MSDS certifications.

Q5: What is the minimum order quantity and packaging details for this Lifepo4 UPS Battery?

A5: The minimum order quantity for this Lifepo4 UPS Battery is 100 and the packaging details is carton.
