

Charge Voltage 14.6V EV Lithium Battery Pack With State-Of-The-Art Technology

Our Product Introduction

for more products please visit us on batteriesback-up.com

Basic Information

- Place of Origin: China
- Brand Name: QIYUAN
- Certification: UN38.3, IEC, MSDS
- Model Number: TE12-300
- Minimum Order Quantity: 100
- Packaging Details: Carton
- Delivery Time: 1-2 months
- Payment Terms: T/T, L/C
- Supply Ability: 2000-5000 per month

Product Specification

- Operating Temperature: 0-45°C
- Discharge Voltage: 10.5V
- Size: L*W*H=330*172*214mm
- Max Charge Current: 50A
- Weight: 50kg
- Capacity: 300Ah
- Storage Temperature: -20-50°C
- Product Name: Lifepo4 UPS Battery
- Highlight: **14.6V EV Lithium Battery Pack ,
Lifepo4 UPS Battery 50A,
300Ah Lifepo4 UPS Battery**

Product Description

Product Description:

The **Lifepo4 UPS Battery** is an advanced EV battery pack, featuring a 12V LiFePO4 lithium battery and deep cycle LiFePO4 battery. It offers superior performance and reliability, with a discharge voltage of 10.5V, voltage of 12V, maximum charge current of 50A, storage temperature of -20 to 50°C, and operating temperature of 0 to 45°C. This battery pack is perfect for a wide range of applications and offers a robust, efficient, and reliable power supply.

Features:

Product Name: Lifepo4 UPS Battery

Operating Temperature: 0-45°C

Weight: 25.5kg

Discharge Voltage: 10.5V

Voltage: 12V

Cycle Life: 4000 Times

EV Lithium Battery Pack: Yes

E Scooter Battery Pack: Yes

Technical Parameters:

Product Name	Lifepo4 UPS Battery
Max Charge Current	150A
Size	L*W*H=330*172*214mm
Max Discharge Current	150A
Cycle Life	4000 Times
Application	UPS, Solar System
Discharge Voltage	10.5V
Charge Voltage	14.6V
Operating Temperature	0-45°C
Warranty	2 Years

Applications:

Lifepo4 UPS Battery: QIYUAN TE12

Brand Name: QIYUAN

Model Number: TE12

Place of Origin: China

Certification: UN38.3, IEC, MSDS

Minimum Order Quantity: 100

Packaging Details: Carton

Delivery Time: 1-2 months

Payment Terms: T/T, L/C

Supply Ability: 2000-5000 per month

Product Name: Lifepo4 UPS Battery

Charge Voltage: 14.6V

Discharge Voltage: 10.5V

Capacity: 300Ah

Max Discharge Current: 150A

Application and Scenario for Lifepo4 UPS Battery: QIYUAN TE12

QIYUAN TE12 Lifepo4 UPS Battery is a reliable, lightweight, and high-performance jump start battery. It is designed to be used in a variety of situations, such as deep cycle LiFePO4 battery, E scooter battery pack, and as an alternative to conventional lead acid batteries for UPS applications. It can be used in a wide range of applications, from automotive and recreational vehicle applications to medical and industrial uses. It can provide a reliable and consistent source of power for emergency situations, such as jump starting a vehicle or powering an E scooter. It also provides long-lasting power for deep cycle applications, such as powering a wheelchair or a robot. With its high capacity, it is ideal for powering a variety of devices and systems, such as medical equipment, security devices, and industrial machinery.

QIYUAN TE12 Lifepo4 UPS Battery is a reliable, long-lasting, and safe battery solution. It is certified to meet the highest safety standards, such as UN38.3, IEC, and MSDS. It has a minimum order quantity of 100, and can be delivered within 1-2 months. It has a capacity of

100Ah and a maximum discharge current of 100A. The charge voltage is 14.6V and the discharge voltage is 10.5V. It is highly efficient and offers excellent value for money. QIYUAN TE12 Lifepo4 UPS Battery is an ideal solution for a variety of applications. It is perfect for jump starting a vehicle, powering an E scooter, or powering a deep cycle application. It is also perfect for powering medical equipment, security devices, and industrial machinery. It is reliable, long-lasting, and safe, making it a great choice for a variety of applications.

Customization:

Lifepo4 UPS Battery

Brand Name: QIYUAN

Model Number: TE12

Place of Origin: China

Certification: UN38.3, IEC, MSDS

Minimum Order Quantity: 100

Packaging Details: Carton

Delivery Time: 1-2 months

Payment Terms: T/T, L/C

Supply Ability: 2000-5000 per month

Voltage: 12V

Cycle Life: 4000 Times

Discharge Voltage: 10.5V

Operating Temperature: 0-45°C

Storage Temperature: -20-50°C

Lifepo4 UPS Battery is an ideal choice for Battery Backup Power Supply, Jump Start Lipo Battery, EV Battery Pack and other applications. It features high density, high safety, wide temperature range and long cycle life. This product is certified with UN38.3, IEC, MSDS. It is available in 12V voltage with 10.5V discharge voltage, and operates optimally in 0-45°C and -20-50°C in storage. The minimum order for this product is 100 pieces, and 2000-5000 pieces can be supplied per month. Payment terms are T/T and L/C, and the product is packaged in carton. Delivery time is 1-2 months.

Support and Services:

Technical Support and Service for Lifepo4 UPS Battery

At Lifepo4, we are committed to providing the highest level of customer support and service.

We offer a variety of technical support services to our customers, including:

24/7 telephone technical support for all product enquiries

Free software updates for the life of the product

Live chat with technical experts

Online product tutorials and user guides

On-site technical support and warranty repairs

We strive to ensure that our customers have the best experience with our products and services. If you have any questions or concerns, please don't hesitate to contact us.

Packing and Shipping:

Packaging and Shipping for Lifepo4 UPS Battery:

We use cardboard boxes with foam inserts to package Lifepo4 UPS Batteries to ensure safe delivery. Depending on the size of the battery, the box size will vary. Each battery will be securely packed and sealed with a plastic wrap to protect from moisture and dust. Shipping is available both domestically and internationally via various carriers such as FedEx, UPS, and USPS. Delivery times may vary depending on the destination. All packages will be labeled with appropriate shipping information and tracking numbers.

FAQ:

Q&A

Q1: What is the Brand Name for this Lifepo4 UPS Battery?

A1: The Brand Name for this Lifepo4 UPS Battery is QIYUAN.

Q2: What is the Model Number for this Lifepo4 UPS Battery?

A2: The Model Number for this Lifepo4 UPS Battery is TE12.

Q3: Where is this Lifepo4 UPS Battery made?

A3: This Lifepo4 UPS Battery is made in China.

Q4: What certifications does this Lifepo4 UPS Battery have?

A4: This Lifepo4 UPS Battery has certifications of UN38.3, IEC, MSDS.

Q5: What is the Minimum Order Quantity for this Lifepo4 UPS Battery?

A5: The Minimum Order Quantity for this Lifepo4 UPS Battery is 100.
