

Reliable Deep Cycle LiFePO4 Battery 100Ah Capacity And Operating Temperature -20-50C

Our Product Introduction

for more products please visit us on batteriesback-up.com

Basic Information

- Place of Origin: China
- Brand Name: QIYUAN
- Certification: UN38.3, IEC, MSDS
- Model Number: TE12200-150
- Minimum Order Quantity: 100
- Packaging Details: Carton
- Delivery Time: 1-2 months
- Payment Terms: T/T, L/C
- Supply Ability: 2000-5000 per month

Product Specification

- Operating Temperature: 0-45°C
- Discharge Voltage: 10.5V
- Cycle Life: 4000 Times
- Application: UPS, Solar System
- Max Charge Current: 150A
- Storage Temperature: -20-50°C
- Warranty: 2 Years
- Max Discharge Current: 150A
- Highlight: **Deep Cycle Lifepo4 UPS Battery,
100Ah Capacity ev lithium battery,
150A ev lithium battery**

Product Description

Product Description:

Lifepo4 UPS Battery is a jump start Lipo battery with 12V LiFePO4 lithium battery and EV lithium battery pack. It has a storage temperature range of -20 to 50°C, a capacity of 100Ah, a charge voltage of 14.6V, and a cycle life of 4000 times. It is widely used in UPS, solar systems and other applications. This LiFePO4 UPS Battery is designed to provide a reliable and stable power supply, ensuring maximum safety and performance for your system. It is a perfect choice for those who need a long-lasting and reliable power source for their devices.

Features:

Battery Backup Power Supply: Lifepo4 UPS Battery

Storage Temperature: -20-50°C

Size: L*W*H=330*172*214mm

Max Charge Current: 150A

Warranty: 2 Years

Charge Voltage: 14.6V

Deep Cycle LiFePO4 Battery

E Scooter Battery Pack

Technical Parameters:

Name	Value
Product Name	Lifepo4 UPS Battery
Cycle Life	4000 Times
Operating Temperature	0-45°C
Capacity	200Ah
Max Charge Current	150A
Charge Voltage	14.6V
Voltage	12V
Discharge Voltage	10.5V
Warranty	2 Years
Storage Temperature	-20-50°C
Special Feature	EV Lithium Battery Pack, EV Lithium Battery Pack, Jump Start Lipo Battery

Applications:

The **Lifepo4 UPS Battery** from **QIYUAN** is an ideal choice for a jump start battery, battery backup power supply, or battery backup power supply. With its **Model Number TE12**, this product is perfect for those who need reliable power supply. It is made from quality materials in **China** and is certified by **UN38.3, IEC, MSDS**. The minimum order quantity is **100**, and the product is packaged in **carton**. Delivery time is approximately **1-2 months**, and the payment terms are **T/T, L/C**. The **supply ability** is 2000-5000 per month. The size is **L*W*H=330*172*214mm**. The voltage is **12V** and the **cycle life** is 4000 times. The **charge voltage** is 14.6V. You can rely on the Lifepo4 UPS Battery from QIYUAN for a jump start, battery backup power supply, or battery backup power supply.

Customization:

Customized Lifepo4 UPS Battery

QIYUAN offers customize Lifepo4 UPS Battery with model number TE12. It is a 12V LiFePO4 Lithium Battery, perfect for E Scooter Battery Pack, Battery Backup Power Supply and more. It is certified with UN38.3, IEC, MSDS. The minimum order quantity is 100 and comes with a carton packaging. Delivery time is 1-2 months and payment terms are T/T, L/C. Our supply ability is 2000-5000 per month. Operating temperature is 0-45°C and max discharge current is 100A. The weight of this product is 25.5kg and its application includes UPS and Solar System. Charge Voltage is 14.6V.

Support and Services:

Lifepo4 UPS Battery Technical Support and Service

We provide technical support for all Lifepo4 UPS Battery products. Our team of experienced technicians and customer service

representatives will help you find the right solution for your needs. We offer a wide range of services, including installation, maintenance, troubleshooting, and more.

We strive to provide the best customer experience possible. We understand that each customer has unique requirements, and we take the time to listen and understand your needs. Our technicians are available 24/7 to answer any questions or provide assistance.

Our customer service team is committed to providing the highest level of service to our customers. We will work with you to ensure that your Lifepo4 UPS Battery product meets your expectations. If you have any questions or concerns, please do not hesitate to reach out to us.

Packing and Shipping:

Lifepo4 UPS Battery packaging and shipping:

Each battery is packed in a custom-made box with foam inserts to protect it during shipping.

The boxes are then placed in a larger cardboard box with additional padding, and then secured with packing tape.

The box is then labeled with the appropriate shipping information, including the weight and destination.

The package is then taken to a shipping center, where it is weighed and shipped by air, ground, or sea.

FAQ:

Q: What is the brand name of the Lifepo4 UPS Battery?

A: The brand name of the Lifepo4 UPS Battery is QIYUAN.

Q: What is the model number of the Lifepo4 UPS Battery?

A: The model number of the Lifepo4 UPS Battery is TE12.

Q: Where is the Lifepo4 UPS Battery manufactured?

A: The Lifepo4 UPS Battery is manufactured in China.

Q: What certifications does the Lifepo4 UPS Battery have?

A: The Lifepo4 UPS Battery has UN38.3, IEC, and MSDS certifications.

Q: What is the minimum order quantity for the Lifepo4 UPS Battery?

A: The minimum order quantity for the Lifepo4 UPS Battery is 100.
