

Long Lasting Lifepo4 UPS Battery 100Ah Capacity 4000 Times Cycle Life 12V

Our Product Introduction

for more products please visit us on batteriesback-up.com

Basic Information

- Place of Origin: China
- Brand Name: QIYUAN
- Certification: UN38.3, IEC, MSDS
- Model Number: TE12200
- Minimum Order Quantity: 100
- Packaging Details: Carton
- Delivery Time: 1-2 months
- Payment Terms: T/T, L/C
- Supply Ability: 2000-5000 per month

Product Specification

- Cycle Life: 4000 Times
- Voltage: 12V
- Warranty: 2 Years
- Product Name: Lifepo4 UPS Battery
- Size: L*W*H=330*172*214mm
- Application: UPS, Solar System
- Max Charge Current: 100A
- Weight: 45.5kg
- Highlight: Long lasting Lifepo4 UPS Battery,
100Ah Capacity Lifepo4 UPS Battery,
UPS Lifepo4 Battery 12V

Product Description

Product Description:

Lifepo4 UPS Battery is a powerful energy storage solution for EV Battery Pack, Battery Backup Power Supply and Solar System. It features a Voltage of 12V, Max Charge Current of 50A, Discharge Voltage of 10.5V, and a 2-year warranty. This battery is designed to provide reliable power for a variety of applications, including UPS, Solar System and other battery backup power supplies. Its advanced design ensures long-lasting performance and high-energy efficiency. The Lifepo4 UPS Battery is the perfect choice for any application that requires reliable and efficient power storage.

Features:

Product Name: Lifepo4 UPS Battery

Warranty: 2 Years

Application: UPS, Solar System

EV Battery Pack

12V LiFePO4 Lithium Battery

Jump Start Lipo Battery

Capacity: 200Ah

Voltage: 12V

Max Discharge Current: 100A

Technical Parameters:

Product Name	Technical Parameters
Lifepo4 UPS Battery	Charge Voltage: 14.6V Discharge Voltage: 10.5V Application: UPS, Solar System Operating Temperature: 0-45°C Cycle Life: 4000 Times Size: L*W*H=330*172*214mm Voltage: 12V Storage Temperature: -20-50°C Warranty: 2 Years 12V LiFePO4 Lithium Battery, 12V LiFePO4 Lithium Battery, Battery Backup Power Supply

Applications:

QIYUAN TE12 Lifepo4 UPS Battery is a high-performance and reliable battery that can be used in a variety of applications. It is ideal for jump starting applications, deep cycle applications, and e-scooter battery packs. It comes with UN38.3, IEC, MSDS certification, and has a minimum order quantity of 100. The product is packaged in a carton, and delivery time is 1-2 months after payment. It has a capacity of 2000-5000 per month, weighs 25.5kg, and has a cycle life of 4000 times. The discharge voltage is 10.5V, and it comes with a 2 year warranty. The size of this product is L*W*H=330*172*214mm.

Due to its high performance and reliability, QIYUAN TE12 Lifepo4 UPS Battery is becoming increasingly popular for use as a jump start battery, deep cycle battery and E-scooter battery pack. It is also widely used for UPS systems, as it is equipped with UN38.3, IEC, MSDS certifications, and is made with high grade materials to ensure long life and reliability. Additionally, the product is designed to be lightweight and easy to install, which makes it a suitable choice for use in a variety of different applications. Furthermore, it comes with a 2 year warranty and a cycle life of 4000 times, so customers can rest assured that their purchase will last for a long time.

Customization:

Lifepo4 UPS Battery

QIYUAN Lifepo4 UPS Battery is a deep cycle LiFePO4 battery designed for e scooter battery pack, battery backup power supply, UPS and solar system. Model number is TE12, with certification of UN38.3, IEC, MSDS and capacity of 100Ah. Voltage is 12V, max charge current is 50A and max discharge current is 100A. Minimum order quantity is 100, packaging details is carton and delivery time is 1-2 months. Payment terms is T/T, L/C and supply ability is 2000-5000 per month.

Support and Services:

Tech Support & Service for Lifepo4 UPS Battery

We offer a full range of technical support and service for Lifepo4 UPS Battery products. Our experienced technicians are available to provide help with installation, troubleshooting, and maintenance.

We offer phone and email support, as well as on-site services. Our technicians can help diagnose and resolve any issues that may arise

with your Lifepo4 UPS Battery.

We also provide a warranty for all of our products, ensuring that your investment is protected. If you experience any problems with your Lifepo4 UPS Battery, please contact us and we will do our best to help.

Packing and Shipping:

Packaging and Shipping of Lifepo4 UPS Battery:

The Lifepo4 UPS Battery will be securely packaged to protect against any damage during the shipping process. The package will be wrapped in bubble wrap to prevent any scratches and to ensure the battery is fully secure. The package will also be labelled with the customer's name and address. The package will then be shipped using a reputable courier with tracking information.

FAQ:

Q&A about Lifepo4 UPS Battery:

Q1: What is the brand name of this Lifepo4 UPS Battery?

A1: The brand name of this Lifepo4 UPS Battery is QIYUAN.

Q2: What is the model number of this Lifepo4 UPS Battery?

A2: The model number of this Lifepo4 UPS Battery is TE12.

Q3: Where is this Lifepo4 UPS Battery produced?

A3: This Lifepo4 UPS Battery is produced in China.

Q4: What certifications does this Lifepo4 UPS Battery have?

A4: This Lifepo4 UPS Battery has UN38.3, IEC, MSDS certifications.

Q5: What is the minimum order quantity for this Lifepo4 UPS Battery?

A5: The minimum order quantity for this Lifepo4 UPS Battery is 100.
