

High Current E Scooter Battery Pack 50A Max Discharge Current 100A

Our Product Introduction

for more products please visit us on batteriesback-up.com

Basic Information

- Place of Origin: China
- Brand Name: QIYUAN
- Certification: UN38.3, IEC, MSDS
- Model Number: TE12100-100
- Minimum Order Quantity: 100
- Packaging Details: Carton
- Delivery Time: 1-2 months
- Payment Terms: T/T, L/C
- Supply Ability: 2000-5000 per month

Product Specification

- Operating Temperature: 0-45°C
- Capacity: 100Ah
- Application: UPS, Solar System
- Cycle Life: 4000 Times
- Size: L*W*H=330*172*214mm
- Voltage: 12V
- Max Charge Current: 50A
- Product Name: Lifepo4 UPS Battery
- Highlight: **Solar System Lifepo4 UPS Battery ,
100A E Scooter Battery Pack,
4000 Times UPS Lifepo4 Battery**

Product Description

Product Description:

Lifepo4 UPS Battery is a high performance and reliable EV Lithium Battery Pack. It is a 12V LiFePO4 Lithium Battery, which is designed for Jump Start applications. The product is capable of storing energy at temperatures from -20 to 50°C. This battery has a high capacity of 100Ah and a discharge voltage of 10.5V. It is ideal for use in UPS systems, as it is stable and safe to use. The Lifepo4 UPS Battery is the perfect choice for those who need a reliable, powerful, and long-lasting power source.

Features:

Product Name: Lifepo4 UPS Battery

Battery Backup Power Supply, Deep Cycle LiFePO4 Battery, EV Lithium Battery Pack

Size: L*W*H=330*172*214mm

Warranty: 2 Years

Max Charge Current: 50A

Weight: 25.5kg

Storage Temperature: -20-50°C

Technical Parameters:

Parameter	Value
Warranty	2 Years
Capacity	100Ah
Weight	25.5kg
Max Charge Current	50A
Max Discharge Current	100A
Application	UPS, Solar System, E Scooter Battery Pack, EV Lithium Battery Pack, Battery Backup Power Supply
Discharge Voltage	10.5V
Voltage	12V
Charge Voltage	14.6V
Operating Temperature	0-45°C

Applications:

QIYUAN's TE12 Lifepo4 UPS Battery is the perfect solution for deep cycle high temperature resistance and high discharge rate applications. This Uninterruptible Power Supply (UPS) battery offers superior performance and reliability compared to traditional lead-acid batteries. It features a maximum discharge current of 100A, a storage temperature range of -20-50°C, and a cycle life of up to 4000 times. It is also certified by UN38.3, IEC, and MSDS, and has a size of L*W*H=330*172*214mm. And with its reasonable minimum order quantity of 100, competitive pricing, and quick delivery of 1-2 months, QIYUAN's TE12 Lifepo4 UPS Battery is the ideal choice for EV Lithium Battery Pack and other deep cycle applications.

Customization:

Lifepo4 UPS Battery

QIYUAN's Lifepo4 UPS battery with model number TE12 provides 12V LiFePO4 Lithium Battery, Battery Backup Power Supply and 12V LiFePO4 Lithium Battery Pack. It is certified with UN38.3, IEC, MSDS and minimum order quantity is 100. It comes with carton packaging and delivery time is 1-2 months. Payment terms are T/T, L/C and the supply ability is 2000-5000 per month. This battery has application in UPS and Solar System, capacity of 100Ah, size of L*W*H=330*172*214mm and warranty of 2 years. The storage temperature is -20-50°C.

Support and Services:

Lifepo4 UPS Battery Technical Support and Service

Lifepo4 UPS Battery provides comprehensive technical support and service for our customers. Our team of experts is available 24/7 to

answer any questions or concerns you may have about our products. We provide a range of services including:

Troubleshooting and diagnostics

Installation and setup assistance

Software and firmware upgrades

Product testing and certification

Product repair and maintenance

Product recalls

Technical documentation

For more information or to request support, please contact us at support@lifepo4upsbattery.com.

Packing and Shipping:

Packaging and Shipping

Lifepo4 UPS Battery products are securely packaged to ensure safe delivery. We use heavy-duty cardboard boxes with additional cushioning material to protect the batteries. All packages are sealed to prevent tampering during transit.

We ship our Lifepo4 UPS Battery products worldwide using reliable courier services. All orders are tracked and insured to ensure the safety of your purchase. Delivery times vary depending on the destination country but most orders are delivered within 3-5 business days.

FAQ:

Q: What is the Brand Name of the Lifepo4 UPS Battery?

A: The Brand Name of the Lifepo4 UPS Battery is QIYUAN.

Q: What is the Model Number of the Lifepo4 UPS Battery?

A: The Model Number of the Lifepo4 UPS Battery is TE12.

Q: Where is the Lifepo4 UPS Battery manufactured?

A: The Lifepo4 UPS Battery is manufactured in China.

Q: What certifications does the Lifepo4 UPS Battery have?

A: The Lifepo4 UPS Battery has UN38.3, IEC, and MSDS certifications.

Q: What is the minimum order quantity of the Lifepo4 UPS Battery?

A: The minimum order quantity of the Lifepo4 UPS Battery is 100.
